

Dear Parents and Caregivers,

We are thrilled to be able to continue our support of the district's Feeding Futures pilot lunch program. The Langley School District is looking to assist all families by offering students a full or partial subsidy for lunches ordered.

The *Lunch Lady* is now ready to take your order!

Your first delivery is: **Thursday September 16th**

For **Thursday** lunch delivery, please place your order by **Monday at 10pm**. We recommend ordering for a month at a time. You can join this pilot Lunch Program at any time.

Meal service is available every **Thursday**. Each meal is individually labeled and packaged. Regular, vegetarian and halal options are available. New menus are posted monthly.
